- The Miss Rodeo Mississippi Foundation has complete authority over the pageant competition and any activities of the contestants during the competition.
- All problems or complaints are to be referred within an hour of occurrence to the Miss Rodeo Mississippi Foundation. The proper procedure for filing a grievance is to put the complaint in writing and submit to the Miss Rodeo Mississippi Board of Directors, along with a \$100 cash grievance fee, to Mrs. Deborah Tucker, Miss Rodeo Mississippi Grievance Official, for further review.

Miss Dixie National Pageant Grievance Committee

A grievance as defined by the dictionary is:

1. A cause of distress giving reason for complaint.
2. An actual or supposed circumstance regarded as just cause for protest.
3. A complaint or protestation based on such a circumstance.
4. Indignation or resentment stemming from a feeling of being wronged.

Committee:

- The committee will be comprised of five (5) members from the Miss Rodeo Mississippi Foundation board, one being the designated Chairman for the Grievance Committee (Mrs. Deborah Tucker). The President of MRM Foundation (Corrine Jackson) will appoint these members. If committee members are absent, the President shall appoint an alternate for each

vacant position. The Chairman of the Grievance Committee will be the point of the contact and spokesperson for the committee.

- **The Chairman of the Grievance Committee will not have a vote unless there is a tie.**
 - Any member of the Board of Miss Rodeo Mississippi Foundation who personally observes any misconduct or violation of Pageant Rules or the Contestant Code of Conduct contract shall report same to the Grievance Committee. Such misconduct or infraction must be reported by the member of the Board who observed the infraction or misconduct and cannot be based on hearsay or remarks from other individuals or contestants. Such reported infractions or misconduct shall be handled in the same manner as a grievance filed by a contestant.
 - A grievance **CANNOT** be filed based on the outcome of the pageant.
 - **Actions:** When the Grievance Committee Chairman receives a grievance, she must convene the Grievance Committee. The grievance committee will review the grievance. Once the Grievance committee reviews the grievance it will make a decision whether to act upon, reject, or disregard the grievance. All decisions are binding on all parties to the grievance.
1. The Committee and the complaining contestant will not discuss the grievance with anyone, not parents, other contestants, or judges.
 2. The committee must make a decision based on facts and be certain, without a doubt, that the accused was intentionally involved in misconduct or misrepresented oneself or there was an infraction of a rule.
 3. Committee, in turn, will review the grievance to determine if the complaint is substantiated. If it is determined to be a valid grievance, a meeting of the Grievance Committee and Judges will be convened. If it is determined the grievance has not substantiated the proceedings shall cease.
 4. Committee and Pageant Judges will interview the person against whom the charge is being filed and the person filing the grievance. Such interview shall be held separately and privately. Either of the individuals shall have the option to decline the private interview, in which case the Grievance Committee and Pageant Judge shall make a decision based on the facts as presented. The Grievance Committee and Pageant Judges shall then dismiss the contestants and shall review the complaint.
 5. The Grievance Committee and Pageant Judges must come to majority decision. Consequences shall be set as follows:
 - No Penalty.
 - Point deductions as determined by members of the Grievance committee and pageant Judges.
 - Disqualifications.
 6. The pageant will continue as scheduled until decisions have been made.

Miss Dixie National Pageant Judging Guidelines

Judges

- A panel of at least three judges will judge all categories of the Pageant. All scores will be totaled for each contestant each time they are judged.
- Judges are selected for their expertise in all fields of the competition-horsemanship, personality and appearance, etc.... They should all have an awareness of correct western dress, they should be knowledgeable about the sport of professional rodeo, and they should be experienced western-type horsemen or horsewomen who are accustomed to judging horse event.
- The judges have been instructed as to the type of young woman the “Miss Dixie National” contest seeks, exemplifying: sincerity, integrity, attractiveness, intelligence, high moral standards, maturity, public speaking, horsemanship ability, and knowledge of professional rodeo, current events, and horse science.

Judged Events

1. **Horsemanship (Miss and Junior Miss divisions only)** Each contestant **will provide her own horse**, to be ridden in each of the two go-rounds of horsemanship competition. See Horsemanship section for information.
2. **Interviews-** Each contestant will be individually interviewed privately by the judges (Miss, Junior Miss, and Princess divisions). Questions asked will test the contestant’s knowledge of the pageant, professional rodeo, equine science, horsemanship, current affairs, and general questions based upon her pageant application. Sweetheart division contestants will participate in a group interview.
3. **Extemporaneous Questions-** An extemporaneous question will be asked of each contestant in the Miss, Junior Miss, and Princess divisions during the Style Show. Questions may relate to the sport of professional rodeo and/or current events. Sweetheart contestants will be asked one of the following questions on stage:
 - a. What is your horse’s name? Tell us about him/her.
 - b. Why do you like the sport of rodeo?
 - c. What is your favorite thing about the Dixie National Livestock Show and Rodeo?
4. **Modeling-** Contestants will participate in the Style Show and Miss, Junior Miss, and Princess contestants should be prepared to provide a short introduction on stage. Sweetheart contestants will not be asked to do a solo introduction.
5. **Photogenic (Miss, Junior Miss, and Princess divisions only)** The judges will score the required digital colored vertical, head and shoulder digital photograph submitted by each contestant, to determine the photogenic winner. The contestant should be wearing a hat and western attire in the submitted photo.
6. **Stage presentation** – You will be introducing yourself, answering an impromptu question, and modeling. You will be judged on your personality, projection, ability to have fun, and how to handle yourself.

Note about **Most Ads Sold** – The Miss Rodeo Mississippi Foundation requires that each

contestant sell a minimum \$50 in ads for the Miss Dixie National Pageant official program book. The contestant who sells the most ads ranked by dollar amount will receive an award. Please refer to the program ad sheet for more information about cost, size, and requirements.

Winners

- After all the judged events are completed and scores are tabulated, the category winners will be announced. The winners in each category are determined by the contestant receiving the highest score, in that particular category.
- The contestant receiving the highest grand total for the competition shall be crowned the winner of her division. The contestant receiving the second highest grand total shall be first runner-up. That contestant receiving the third highest grand total shall be second runner-up.
- Ties for category winners, i.e., Appearance, Personality, Horsemanship, will be broken by referring back to Judge #1. Judge #1's score will break the tie. If a tie still remains, Judge #2's score will be used...and so on until the tie is broken. Ties resulting in Photogenic will be broken by using the same method as the category winners. A tie for the division winner will be broken by the horsemanship scores, i.e., the contestant with the highest score in horsemanship will receive the higher ranking. If a tiebreaker is still needed, Judge #1's score will be used.
- The Judges' decision is final.
